---------------------------------------	--

Date Reported 09-15-13	Agency Case Number: 13-37962
----------------------------------	--

On the above date and time I was dispatched to the above location in reference to an alarm call. The business was closed and I was conducting a security check of the building. I was walking around the back, I found the above subject on the back side of the building. I made contact with Michael I asked him what he was doing he told me "nothing none of your god dam business". I asked him where he was going and he then told me that he was going to work and told me to fuck off. He then told me that he did not have any warrants and I told him that's good. I then asked him if he was trespassed from the property and he told me no. However, due to my prior dealings with the subject I knew that he was trespassed from the property and was arrested on that charge by myself. I advised him to wait just a minute and I would check, while we were waiting on dispatch, the subject told me that he could do whatever the fuck he wanted. I then asked Dispatch to run the above subject to see if he has any open warrants and check if he was trespassed from the property. Just a short time later they advised the above subject had an open warrant in this county. Due to his irate actions, I then placed the subject in handcuffs to confirm his SS number and date of birth. As I did the subject started to pull away from me and I advised him to stop. As I put his second hand in the cuff he snatched away and I had to put the subject on the ground to prevent him from resisting any further. When the subject hit the ground it caused a small cut to his chin. The subject stopped all resisting and complied with all orders. The subject was transported to Shands at Live Oak via rescue 5 and treated for his wounds. While at Shands the subject received six stitches in his chin. Upon his discharge I took the subject to the Suwannee County Jail without further incident. While at the jail I confirmed with dispatch on the warrant and it was not the same Michael Butler.
